### Virtual Conferences

#### **2020 AILA Virtual Fall Conference: Federal Court Removal Litigation Track** October 20, 2020

Up your game on the latest federal court litigation strategies and theories. This program will help you to think outside the box, and our expert panelists will address advanced and master's level litigation topics related to removal defense, custody, and protection from persecution and torture abroad. This is not a basics course for learning the terminology. Expect to be intellectually challenged!

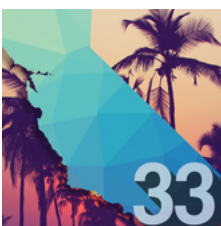

#### **2020 AILA Virtual Fall Conference: Business Track** October 20, 2020

This intermediate-to-advanced conference will provide meaningful guidance on navigating the unprecedented business immigration issues resulting from the pandemic and the administration's attack on immigration. You will learn best practices to help you provide informed and effective representation, and you will be able to brainstorm and connect with colleagues about pressing matters.

#### **2020 AILA Technology & Innovation Virtual Summit** November 10, 2020

Thought leaders, technology influencers, and immigration law practitioners will unite to look at key trends and emerging technologies impacting the future of law practice. Learn how the current climate may disrupt the way we are used to practicing law and how technology can allow your firm to grow in these new times. Attend to gain control of your future and explore the latest tech solutions for your firm.

#### **2020 AILA California Chapters Conference** November 12–13, 2020

The AILA Northern California Chapter welcomes colleagues throughout the state and beyond to the 33rd Annual AILA Virtual California Chapters Conference. Expert panelists will provide attendees of all experience levels with critical updates across a wide range of immigration law topics. You will be able to earn specialized CLE credit, and receive important specific to practicing immigration law in California.
